Industrial Inkjet
Commercial Printer
VegaPress Mini HD

Specification

Model	VegaPress Mini	VegaPress Mini HD
Printing width	432mm	
Max.paper width	445mm	
Color channels	Monochrome	
Max Printing speed	80 Meter/Min	100 Meter/Min
Printing Technology	Industrial piezo print head 4pl drop size	
Max Resolution	600*600dpi	1200*1200dpi
Printing Speed	1110 sheets/min (single side A4)	1400 sheets/min (single side A4)
Software	VegaRip workflow manager	
Ink	Water based pigment ink	
Subtractes	Inkjet-coated, uncoated, offset paper, newsprint paper, art paper	
Application	Digital book, catalogue, news paper, educational material, user manual, direct mail	

Unwinder	High speed combined feeding system
Max roll diameter	1280mm
Max roll width	445mm

C1-Cutting system	Automatic cutting, stacking
Max cutting speed	100 Meter/Min
Paper width	140-445mm
Paper weight	40gsm-200gsm
Document stacking	Included

Temperature	20-25 ℃
Humidity	40-60%
Noise	<70dB
Operating /Max power	380V/12/33KW
Computer	Windows 11,10
Centering system	Included
Dimension (length)	6,350mm
Net Weight	5200kg

Parameters subject to change without notice. 10.2023
